Summary & Background Request approval to renew existing contracts to provide plumbing supplies and related items on an “as-needed” basis for Fulton County facilities for FY2023.

Scope of Work: These contracts provide all the necessary plumbing parts and supplies on an “as needed” basis for the Department of Real Estate and Asset Management HVAC Maintenance staff to perform repair and maintenance services to the plumbing systems at all Fulton County facilities of north, south and downtown areas. DREAM’s Materials Management has approximately 750 total varieties of plumbing supplies and related items on hand in the warehouse inventory.

Community Impact: None of which the Department is aware.

Department Recommendation: The Department of Real Estate and Asset Management recommends approval

The requested spending authority in the total amount of \$98,899.93 is an increase of \$12,899.93 over 2022 which is due to the increase costs for plumbing parts, fittings, fixtures, pipes, and accessories used for maintenance and repair services in all County facilities. Prices have increased substantially on various commodities due to high demand, industry wide shortages, new construction and renovations which are causing challenges to the supply chain.

We anticipate the 2022 price increases will continue into 2023 to include copper pipe and fittings, water heaters, valves, and circulating pumps. All items mentioned are necessary components for daily facility HVAC maintenance and repair operations.

The requested total spending authority in the total amount of \$98,899.93 is sufficient in that it will help supplement and cover the price increases for plumbing parts and related items used to perform repairs and maintenance services to the plumbing systems in all Fulton County facilities for FY2023.

Historical Expenditures:

- FY2022: The County expenditures as of 7/27/2022, \$65,406.12
- FY2021: The County spent \$45,005.05
- FY2020: The County spent \$44,484.07
- FY2019: The County spent \$87,625.98
- FY2018: The County spent \$96,299.82

Project Implications: These contracts provide all the necessary supplies and equipment needed to support the in-house HVAC Maintenance staff.

Community Issues/Concerns: None of which the Department is aware.

Department Issues/Concerns: If these renewal contracts are not approved, the Department will not be able to provide plumbing supplies and related items to support in-house HVAC Maintenance staff for Countywide services.
