Summary & Background *(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)*

Scope of Work: The Department of Real Estate and Asset Management and the Department of

Public Works request the approval of the Fulton Board of Commissioners to execute a Sanitary Sewer System Ownership, Operation, Maintenance, and Repair Agreement with Pulte Home Company, LLC.

Environmental Protection Division, EPD regulations require that where a permitted public sanitary sewer system is available, developments and a property requiring sanitary sewer services shall obtain sanitary sewer service through an extension of the public service system.

Pulte Home Company, LLC., the Owner of the real property located at 0 Lakefield Drive, Johns Creek, Georgia 30097, Milton, Georgia 30009, has agreed to provide Fulton County easement access to maintain and expand sewer services within their Development.

The purpose of the Sanitary Sewer System Ownership, Operation, Maintenance, and Repair Agreement is to formalize maintenance responsibilities and conditions of legal access for Fulton County, Pulte Home Company, LLC and future owners that may acquire the Development at 0 Lakefield Drive, Johns Creek, Georgia 30097, Milton, Georgia 30009.

Community Impact: The Department of Public Works has confirmed that if this Agreement is approved, the County's sewer system will not be adversely impacted and can continue to be properly maintained.

Department Recommendation: The Department of Real Estate and Asset Management accepts the Department of Public Works' conclusion to accept the Sanitary Sewer System Ownership, Operation, Maintenance, and Repair Agreement and recommends its approval.

Project Implications: No negative impacts to sewer services or access to the sewer line for maintenance purposes will result because of the approval of this Agreement.
