Summary & Background *(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)*

Scope of Work: The County is seeking to purchase Vox read-a-longs books with an audio reading attachment on the inside of the book. Read-a-longs from Vox allows children to listen to story while following along with the book. Vox version of read-a-long books are differentiated from other readers

due to its unique design. Many newer computers do not have CD capabilities. CDs are used for the majority of read-a-longs. Vox books feature a hardcover book with a reader box permanently attached to the book. This eliminates the hassle of lost and scratched CDs extending the life of the product. Approving this item will give patrons a product with a longer lifespan and would benefit beginning and struggling readers.

Community Impact: Citizens of Fulton County will continue using the current versions of read-a-long books.
