Summary & Background Request approval to renew existing contracts to provide Carpet, Carpet Tile Installation and Repair Services Countywide on an "as-needed" basis for Fulton County facilities for FY2023.

Scope of Work: These contracts furnish all materials, labor, tools, equipment, and appurtenances necessary to provide carpet and carpet tile installation and repair to facilities countywide; including

removal and reinstallation of existing furniture when required and the removal and disposal of existing carpet/carpet tiles.

Community Impact: These contracts are necessary to maintain a safe, functional, and comfortable flooring for the patrons and employees in County facilities.

Department Recommendation: The Department of Real Estate and Asset Management recommends approval.

The upkeep of Fulton County facilities is an essential function of this Department. These contracts are a vital part of our ability to maintain safe, functional, and aesthetically sound facilities. Without this contract, flooring within Fulton County facilities could go without necessary maintenance and provide for a potentially hazardous environment. The deterioration of floor coverings in many well-traveled locations like court rooms and public corridors could be a cause for tripping hazards and health hazards from deteriorating carpets.

These contracts are a time and materials contracts that require covering the cost for all labor, replacement, and installation of new carpet for County facilities. The requested spending authority in the total amount of \$400,500 is sufficient to cover the anticipated costs for FY2023.

This is a Standby Contract that is dependent on the availability of resources provided as part of DREAM Pay as You Go capital program, FCURA bond, and end-user/ departmental operating/capital funding as identified and adopted for FY2023. Purchase Order will be guided by the available adopted FY2023 Pay as you Go funding.

Expenditure History:

- FY2022: The County allocated/expenditures as of 9/9/2022, \$206,337.00
- FY2021: The County spent \$72,069.00
- FY2020: The County spent \$456,128.37
- FY2019: The County spent \$378,822.78
- FY2018: The County spent \$158,636.29

Project Implications: These contracts ensure worn carpet is replaced in a timely manner. Without these contracts, flooring within Fulton County facilities could go without necessary maintenance and provide for a potentially hazardous environment.

Community Issues/Concerns: None of which the Department is aware.

Department Issues/Concerns: If these contracts are not approved, the Department does not have the resources, specialty tools and equipment to provide carpet and carpet tile installation repair services Countywide.
