Summary & Background Request approval to renew existing contract to provide on-site Electrical On-Call Maintenance Countywide facilities on “as-needed” basis for FY2023.

Scope of Work: These contracts furnish all materials, labor, tools, equipment, and appurtenances necessary to provide on-site emergency electrical on-call maintenance services on an “as needed” basis for Countywide facilities.

The Scope of Work also includes but not limited to:

- General lighting systems
- Distribution subpanels
- Motor starters not part of automated operations
- Receptacles
- Small water heaters
- Problems related to partial power loss in the buildings
- Emergency installation/extension of low and medium voltage power
- Operational problems on small (less than 10 hp) motor, pumps, fountains etc.
- Replacement and installation of lamps
- Trouble shoot the electrical system in County facilities
- Replacement and installation of distribution transformers

The requested increased spending authority includes planned lighting upgrades in the emergency stairwell of the Juvenile Court and the Detention/Sallyport areas in the Justice Center Complex along with the addition of the consolidated warehouse that will be occupied in the 4th quarter FY 2022.

Community Impact: Electrical systems that are maintained can prevent accidents caused by issues like failing parts, faulty wiring, or compromised transformers and ensure that County facilities are safely powered.

Department Recommendation: The Department of Real Estate and Asset Management recommends approval.

These are time materials contracts that covers cost for normal and overtime labor hours, troubleshooting, diagnosing and emergency maintenance repairs, and parts/components on variety types of general and electrical lighting system for Fulton County facilities for FY2023.

Expenditure History:

- FY2022: The County expenditures as of 9/8/2022, \$159,253.80
- FY2021: The County spent \$162,625.98
- FY2020: The County spent \$249,820.23
- FY2019: The County spent \$263,429.20
- FY2018: The County spent \$125,693.18

Project Implications: These contracts require professional licenses, specialty tools, equipment, training, and technician skills to perform on-site electrical on call maintenance and repair services.

Community Issues/Concerns: None of which the Department is aware.

Department Issues/Concerns: If these contracts are not approved, the Department cannot provide emergency on-site electrical on call maintenance and repair services for Countywide facilities thereby risking operational continuity.
