Scope of Work: The proposed Northwinds Summit Project, a residential development, requires the relocation of a water line easement. The easement area to be conveyed consists of 35,554 square feet and is in Land Lots 792, 793, 798, and 799 of the 1st District, 2nd Section of Fulton County, Georgia.

Community Impact: The community will benefit from the extension of the County's water system and the addition of a commercial subdivision.

Department Recommendation: The Department of Real Estate and Asset Management recommends acceptance of the easement dedication.

Project Implications: Easement dedications by the legal owner of record to Fulton County are made a part of public records and grant Fulton County access as necessary to perform construction, maintenance, and upgrades to the water system once the proposed improvements are installed on the owner's property.
