Summary & Background To amend existing contract to provide additional technology design and construction administration services for three (3) remaining Phase II Library CIP projects as well as to provide video teleconferencing and audio-visual solutions for the Auditorium at Central Library.

Scope of Work: The Fulton County Library System requests approval to amend the existing contract

to provide additional engineering design and construction administration services for Peachtree Library, MLK Jr. Library and East Point Library Expansion. Additionally, TLC will provide enhanced video teleconferencing and audio-visual recording, editing and streaming solutions for the Central Library Auditorium.

TLC Engineering for Architecture will provide technology consulting services for Peachtree Library, MLK Jr. Library and East Point Library Expansion at the same level as previous library renovations. Their Scope of Services will include the following:

Summary of Proposed Services:

1. Peachtree Library Technology Design Services:

- Engineering Design Services
- Coordination with Fulton County IT
- Technology Budget Management
- Construction Administration Services
- Procurement Services

Cost **\$66,700.00**

2. MLK Jr. Library Technology Design Services:

- Engineering Design Services
- Coordination with Fulton County IT
- Technology Budget Management
- Construction Administration Services
- Procurement Services

Cost **\$66,700.00**

3. East Point Library Expansion Technology Design Services:

- Engineering Design Services
- Coordination with Fulton County IT
- Technology Budget Management
- Construction Administration Services
- Procurement Services

Cost **\$20,800.00**

4. Central Library Auditorium Technology Design Services:

- Enhanced Video Teleconferencing
- Audio-Visual Recording, editing and streaming
- Construction Administration Services
- Procurement Services

Cost **\$11,200.00**

Total Cost **\$165,400.00**

Community Impact: This request involves the renovation of libraries in communities throughout the County. The successful and timely renovation of each library will positively impact communities

countywide.

Department Recommendation: The Fulton County Library System recommends approval.

TLC Engineering for Architecture, Inc. will work in collaboration with the DREAM's Bond Construction Management Team and the County's Library representatives.

Project Implications: The cost of the requested service will be funded using Library Bond funds; therefore, it will not impact the County or Library operations.

Community Issues/Concerns: None that the Department is aware of

Department Issues/Concerns: If this amendment is not approved, The County does not have the capacity, or the expertise, to perform the additional technology design and construction administration services for three (3) remaining Phase II Library CIP projects as well to provide video teleconferencing and audio-visual solutions for the Auditorium at Central Library.
