**Scope of Work:** The proposed Findley Road Project, a residential development, requires a connection to the County's sewer system. Fulton County development regulations require that all new sewer line connections acknowledge Fulton County's ownership interests in the area(s) in which a connection is being made to the County's sewer system prior to the issuance of a Land Disturbance Permit. **Community Impact:** The community will benefit from the extension of the County's sewer system and the addition of a new residential subdivision.

**Department Recommendation:** The Department of Real Estate and Asset Management recommends acceptance of the easement dedication.

**Project Implications:** Easement dedications by the owner of record to Fulton County are made a part of the public record and grant Fulton County access to perform construction, maintenance, and upgrades to the County's sewer system once the proposed improvements are installed.
