Summary & Background:

Fulton County remains responsible for insuring that the stormwater runoff occurring throughout the unincorporated areas of Fulton County is managed in compliance with Georgia EPD requirements and NPDES permit limits.

Scope of Work: The contract provides for consulting services for Oversight, Management and Administration services for the National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer System (MS4) Permit program within the Fulton Industrial District area of unincorporated Fulton County. The MS4 Permit requires the development of a Stormwater Management Program and numerous subprograms/program elements established to reduce and minimize pollutant discharges to surface water from stormwater sources.

The Best Management Practices for this program include:

- Inspection and Maintenance of Stormwater Control Structures
- Detection and Elimination of Illicit Discharges
- Industrial Facility Stormwater Discharge Control
- Construction Site Management
- Inspection and Enforcement of Highly Visible Pollutant Sources
- Public Education
- Public Involvement
- Regulation of Post Construction Stormwater Controls
- Promotion of Green Infrastructure / Low Impact Development

The consultant will assist Fulton County staff in performing and meeting these elements and preparing the annual report to EPD documenting our efforts. The consultant will monitor the timely accomplishment of the tasks performed by staff, as well as other consultants, and compile and submit the comprehensive Annual Report documenting compliance required by the Permit.

Community Impact: This contract ensures that all requirements of the NPDES MS4 Permit will be met and the Stormwater Program within the Fulton Industrial District of unincorporated Fulton County will meet all necessary federal requirements.

Department Recommendation: The Department of Public Works recommends approval of the contract to provide MS4 NPDES Permit Management Oversight and Administration services for the Fulton Industrial District.

Project Implications: Contracting these services will allow the Department of Public Works to more effectively and efficiently achieve compliance with the requirements of the NPDES MS4 Permit requirements

Community Issues/Concerns: There are no known community issues or concerns with the approval of this contract.

Department Issues/Concerns: The Department of Public Works does not have any concerns with the approval of this contract
