Summary & Background Renew existing contracts to provide Standby Professional Services for Architectural and Engineering for FY2022.

Scope of Work: The services to be provided under these contracts includes the following: engineering studies; consultative, advisory, investigative and pre-design services; pre-design and pre-construction activities; partnering; project management services; detailed design services; contract administration and general review during construction; construction management services; and additional services that may be requested by the County.

These requirements may include, but are not limited to the following: (a) extended commissioning and start-up assistance for equipment or facilities; (b) preparing plant specific operating and maintenance manuals; (c) determining deficiencies during the warranty period; (d) preparing the final acceptance document at the end of the warranty period; (e) assisting with facility management and /or operations after commissioning and start-up; (f) providing assistance in as-built drawing verification; (g) facility requirements and utilization studies; (h) feasibility studies for new, renovation and alteration projects (i) preparation of program documents; (j) preparation of schematic, preliminary, design development, contract documents, and specifications; (k) studies and audits for compliance with federal, state and local regulations; (l) services related to minor and/or new construction, renovation and alteration projects to include planning, handicapped accessibility (ADA), project evaluation, electrical, mechanical, structural and civil engineering; (m) additional services which may be required or requested; (n) master planning, building systems surveys; (o) facility programming; (p) construction administration; (q) development of design documents for the Standby Construction Program System (Job Order Contract); and (r) cost estimates.

Community Impact: None of which the Department is aware.

Department Recommendation: The Department of Real Estate and Asset Management recommends approval to renew existing contracts to provide standby professional services for

facilities related planning, design, engineering and assessments - architecture & engineering services program on a "task order" basis for a variety of capital projects in support of the Department of Real Estate and Asset Management for FY2022.

This is a Standby Contract that is dependent on the availability of resources provided as part of DREAM Pay as You Go capital program, FCURA bond, and end-user/departmental operating/capital funding as identified" adopted for FY2022.

Historical Expenditures:

FY2021: The County expenditures as of 8/23/2021, \$12,445.99 (but \$525,400.00 has been allocated to Task Order No.1 to provide a strategic workspace reimagined services model design plan for the Fulton County Government Center and Judicial Center Complexes. The BOC approved Task Order on 4/21/2021, as Item #21-0307)

FY2020: The County spent \$259,975.98

FY2019: The County spent \$325,415.19

FY2018: The County spent \$533,110.40

FY2017: The County spent \$342,398.00

Project Implications: The intent of this professional services is for one or more firms to provide some, all or any combination of the various and diverse technical, professional, architectural and engineering planning projects, and related projects for the County on an as needed basis. Whenever services are requested by the County the Contractor will submit a written proposal for the specific project based on the scope of services requested by the County.

Community Issues/Concerns: None of which the Department is aware.

Department Issues/Concerns: If these renewal contracts are not approved, the County does not have the capacity, or the expertise, to perform these services in-house. Approval will enable us to have engineering consultancy services on-hand to review proposal specifications for proposed solicitations before being advertised to ensure that all aspects necessary for a successful procurement have been addressed.
