Summary & Background Renew existing contract to provide on-site maintenance and testing of fire-intrusion alarm systems for County facilities for FY2022.

Scope of Work: These contracts furnish all materials, labor, tools, equipment and appurtenances necessary to provides preventive maintenance and testing for all system components to include fire alarm main and sub panels and intrusion alarm connections for all Fulton County facilities.

The Scope of Work also includes but not limited to:

- LED lamp & batteries
- Smoke and heat detectors
- Horns and strobes
- Duck smoke detector
- Pull stations
- Fireman phone jacks
- Override panels

Community Impact: This contract focuses on the safety of the buildings which are visited by citizens. This contract covers the annual maintenance and inspection of the fire-intrusion alarm systems in the buildings for any deficiency that may be observed that would put the building out of compliance. In addition, any corrective repairs that needs to be conducted to maintain the systems in operation and ensure compliance with fire codes are provided under this contract.

Department Recommendation: The Department of Real Estate and Asset Management recommends approval to renew existing contracts to provide on-site maintenance and testing of the fire-intrusion alarm systems for Fulton County facilities for fiscal year 2022.

This contract is a time and materials contract that requires covering the cost for replacement of all parts/components and labor for inspections and maintenance repairs. The requested spending authority in the amount of \$110,000 is required to identify deficiencies that the County is liable for the repairs of to be in compliance with the fire codes of the State Fire Marshal.

Historical Expenditures:

FY2021: The County expenditures as of 8/3/2021, \$31,865.14

FY2020: The County spent \$62,354.17

FY2019: The County spent \$119,846.17

FY2018: The County spent \$143,983.16

FY2017: The County spent \$130,000.00

FY2016: The County spent \$234,000.00

Project Implications: County facilities which have undergone inspection indicated the need for maintenance and testing of fire-intrusion alarm systems to be fully functional and compliant with fire codes and regulations. These are activities mandated by the State Fire Marshal and a requirement for accreditation of law enforcement agencies like the Sheriff's and Marshall's Departments.

Community Issues/Concerns: None of which the Department is aware.

Department Issues/Concerns: If these renewal contracts are not approved, the Department will not be able to provide the required maintenance and testing of fire- intrusion alarm systems in Fulton County facilities and without testing to determine deficiencies in the systems, it will increase the risk potential for the County.
