Summary & Background *(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)*

Scope of Work:

The Chief Human Resources Officer has identified challenges experienced when hiring and retaining professional staff in certain positions. Fulton County recognizes areas in its Personnel Policies that can be amended and/or improved to attract and retain the highly qualified, competent and experienced talent for its workforce. The Policy amendments seeks to remove barriers that discourage or frustrate the ability to attract highly qualified, competent and experienced talent.

If approved, the BOC would amend Personnel Policy 329-16 to rename it “Retention Bonus, Sign-on Bonus, and Relocation Costs,” to permit certain new hires to receive a sign-on bonus upon approval by the County Manager based on the recommendation of the Chief Human Resources Officer, and to permit certain new hires to receive payment for certain relocation costs and expenses upon acceptance of an offer of employment with Fulton County and approval of the County Manager based on the recommendation of the Chief Human Resources Officer.
