Summary & Background *(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)*

The Fulton County Juvenile Court (FCJC) seeks to further its mission to use Canyon Solutions, INC, to provide additional data collection and reporting updates to Fulton County Juvenile Court's case management system, JCATS (Justice Case Activity Tracking System).

Scope of Work: Implementation of the additional data collection and reporting updates to Fulton County Juvenile Court's case management system, JCATS (Justice Case Activity Tracking System) will further the goal of: Tracking recidivism rates and other youth outcomes to measure implementation progress, share these data with system leaders and policymakers, use data to hold providers and agencies accountable for results, and guide implementation improvements. The new service scope of work will begin May 4, 2022 through September 30, 2022.

Community Impact: Currently the contractor provides proprietary software. Canyon Solutions INC designed and developed JCATS and is the sole, exclusive owner of the software and all related materials. The licenses, application software and hardware support being requested can only be procured through the manufacturer and creator of the system.

Department Recommendation: Juvenile Court recommends the approval to award contract without competition to provide software upgrades.

Project Implications: The approval of this item will allow for immediate upgrades to the Justice Case Activity Tracking System. Justice Case Activity Tracking System will include an automation for various work queues to be put in place so that service providers for youth can upload and submit attendance and program status records on youth enrolled in their programs.

Community Issues/Concerns: None of which Department is aware.

Department Issues/Concerns: .It will jeopardize Juvenile Court's ability to develop an automated

method to submit documents including court orders to be filed electronically within the court's case management system.
