Summary & Background *(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)*

Scope of Work: Fulton County currently provides a combination of self-funded and fully-insured Medical & Pharmacy (Rx), Dental and Vision programs to approximately 4,700 employees, 3,400 retirees/beneficiaries, and their eligible dependents. Under a fully-insured funding arrangement, the insurance carrier pays claims from its own funds and sets premium rates to support expected claim payments. While under the self-funded arrangement, the carrier administers the plan, but claims are funded by the County. The Finance Department worked with Segal Consulting to complete the 2023 health plan renewals and premium rate projections. The 2023 funding projection and premium rates assumes no changes in benefit plan design or cost share for active employees and retirees/beneficiaries.

2023 SELF-FUNDED RATE CHANGES

The funding rates for the self-funded plans require calculation using historical claims and enrollment data, to which actuarially sound methodologies and assumptions are applied, and costs and credits associated with administration of the plan are incorporated. Segal, our benefits consultant performed this exercise for 2023 on behalf of the County. Below are the proposed funding (premium) rate changes for 2022. These rates are set to support the expected costs generated by members enrolled in the plans.

Medical/Rx	Funding Change
Active Employees	
Anthem BCBS CDHP/HSA	+4.0%
Anthem BCBS HMO	+4.0%
Anthem BCBS POS	+4.0%
Under 65 Retirees	
Anthem BCBS CDHP/HSA	+4.0%
Anthem BCBS HMO	+4.0%
Anthem BCBS POS	+4.0%
Over 65 Retirees	
Anthem BCBS Medicare HMO	+4.0%
Anthem BCBS Medicare Indemnity	+4.0%
Anthem BCBS Medicare PPO Plus (closed)	+4.0%
Dental	
Aetna Dental PPO	+4.9%
Vision	
EyeMed Vision	0.0%

2023 FULLY-INSURED RATE CHANGES

Fully insured plans account for approximately 36% of the total medical and pharmacy costs. Our benefit consultants from Segal, met with each vendor and successfully negotiated lower renewal premium rates for the 2023 plan year. A summary of negotiation outcomes is listed below.

Plan	Original Increase	Final Negotiated Increase	Total Savings
Aetna DHMO	0.0%	"No change"	\$0

Anthem (BCBS):

- 4.0% increase to Active and Pre-65 Retiree rates (HSA, POS, and HMO plans)
- 4.0% increase to Post-65 Retiree rates (Medicare HMO, Indemnity PPO, and PPO Plus plans)

Kaiser:

- 5.4% increase to HMO Active and Pre-65 Retiree rates

- 4.9% increase for the Dental PPO rates
- 3.7% increase to the Basic Medicare Advantage Plan rates

EyeMed:

These changes were carefully considered, weighing the financial impact to the plan as well as the financial and logistical impact to the member. Approval is needed to begin open enrollment planning including Employee Self-Service (ESS) enrollment system modifications and communications for the upcoming enrollment period scheduled from September 26th through October 14th for active employees, and October 3rd through October 21st for retirees. Employee and retiree information meetings will be held virtually, starting the week of September 26th.
