Summary & Background Request approval to renew existing contract to provide Landfill Post Closure Services for Fulton County for FY2023.

Scope of Work: This contract provides all necessary professional services, project management, and administrative support to implement the post closure care services for the scope of work as indicated in the following areas:

- A. Project Management, Scheduling, Recordkeeping and Reporting
- B. Implementation of Health and Safety Programs
- C. Landfill Compliance Inspections
- D. Landfill Gas System (LFG) Management
- E. Methane Monitoring and Reporting
- F. Groundwater and Surface Water Monitoring and Reporting
- G. Landfill Maintenance at Merk/Miles and Morgan Falls Landfills

All work shall be performed in compliance with the guidelines set forth by the Georgia Department of Environmental Protection Division (Georgia EPD).

Community Impact: Without this contract, the County's citizens would experience serious hazardous odors coming from the landfills that could be a health hazard.

Department Recommendation: The Department of Real Estate and Asset Management recommends approval.

The requested spending authority in the total amount of \$696,700, is an increase of \$50,000 over 2022 and is expected to cover the cost for landfill post closure services in the amount of \$496,700 and an additional \$200,000 to remove the underground storage tanks from located at 5601 Stonewall Tell Road which is a gas station property of the County. The Georgia EPD regulation requires us to remove the tanks 12-months after the station has ceased operations. We have requested the \$200,000 in the Budget Enhancement (Capital Funding 500-520-5200-TBD) for FY2023.

Historical Expenditures:

- FY2022: The County expenditure as of 7/19/2022 is \$290,795.07
- FY2021: The County has spent \$446,700.00
- FY2020: The County has spent \$496,700.00
- FY2019: The County spent \$496,700.00
- FY2018: The County spent \$750,338.45

Project Implications: The County would face serious penalties from the Georgia Department of Environmental Protection.

Community Issues/Concerns: None of which the Department is aware.

Department Issues/Concerns: If this renewal contract is not approved, the County will not have the ability to continue to provide post closure care services and would be in violation with the Georgia EPD.
