Summary & Background The Auburn Library recently had 5 computers replaced which caused issues with the microfiche machines due to the current software being outdated. The new computers require a software license upgrade for each PC. These machine are vital for researchers searching for old/dated information that is stored at this branch. A PC refresh at the Auburn Library has caused a software upgrade issue with the microfiche machines located at this branch. The computers running the units were old and outdated. The refresh caused a mandatory software upgrade requirement.

Scope of Work: The Library will purchase 5 software licenses for each of its microfiche machines.

Community Impact: There is no community impact.

Department Recommendation: The County recommends approval of this contract
