Summary & Background *(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)*

Scope of Work: : LWV TPA GA 400, LLC, the owner of the real property located at 0 Lakeview Parkway, Alpharetta, Georgia 30009 has requested the conditional approval of the Fulton County Board of Commissioners to allow stormwater piping to remain within a portion of the County's existing sewer easement onsite.

In accordance with County Policy and the Statue of Frauds, all amendments and edits to contractual agreements involving the County are required to be in writing and approved by the Fulton County Board of Commissioners. At the request of the fee simple property owner, LWV TPA GA 400, LLC, the Fulton County Department of Real Estate and Asset Management and the Fulton County Department of Public Works request approval to amend the terms of the County's sewer easement for this location.

The Department of Public works has completed an onsite assessment of the encroachment area of approximately 2,735 square feet and confirmed the County's sewer system will not be adversely impacted and can continue to be properly maintained if this encroachment is granted.

The purpose of the Indemnification, Maintenance, and Land Use Agreement for Private Improvement ("Indemnification Agreement") is to affirm the terms of Fulton County's conditional approval of the encroachment of private improvements within the County' sewer easement area at 0 Lakeview Parkway in Alpharetta, Georgia

Community Impact: The Indemnification Agreement allows Fulton County full access to maintain its sanitary sewer service line while granting the property owner the conditional approval for stormwater piping to remain within a portion of the County's sewer easement area.

Department Recommendation: The Department of Real Estate and Asset Management accepts the conclusion of the Department of Public Works to accept the Indemnification Agreement and recommends its approval.

Project Implications: No negative impacts to the sanitary sewer service or access to the sanitary sewer line will result by allowing stormwater piping to be installed within the County's sewer easement.
