Summary & Background *(First sentence includes Agency recommendation. Provide an executive summary of the action that gives an overview of the relevant details for the item.)*

Scope of Work:

The FCSO, County Executive Leadership, and Emergency Management Services International (EMSI) have worked to provide a comprehensive plan to address ongoing and developing mitigation strategies required to sustain jail operations until a replacement facility has been decided. This plan includes healthcare, food service, retention and enhanced staffing efforts, as well as a staffing analysis, building maintenance, and inmate outsourcing.
