Summary & Background Renew existing contracts to provide Tree Removal Services Countywide for FY2022.

Scope of Work: These contracts furnish all materials, labor, tools, equipment, transportation and appurtenances necessary to provide on-site tree removal services Countywide for emergency/storm related circumstances or on an "as needed" basis for Fulton County.

The Scope of Work also includes, but is not limited to:

- Cutting the specified tree down even to the ground so as not to leave any visible stump
- De-limbing including chopping/chipping and hauling off the premises.
- Hauling debris following job completion.
- Limb removal from living trees must be cut so as not to damage the limb collar.
- Stump grinding may be required on a case by case basis and when required shall be completed in accordance with (IAW) industry standards.
- All debris from the grinding of the stump shall be removed, unless otherwise specified by the Project Manager.

These Countywide contracts are considered as stand-by contracts that are used on an “as-needed” basis that provides on-site tree removal services Countywide.

Community Impact: Public safety would be gravely impacted if the area is not cleared immediately.

Department Recommendation: The Department of Real Estate and Asset Management recommends.

The requested spending authority in the total amount of \$230,000, is an increase of \$110,000 (\$55,000 for each Tree Contractor) over 2021 to cover costs for additional tree removal services to due to backlog of tree removal and trimming work orders resulting from facility security assessments. These contracts accommodate various user departments such as Public Works that are requesting an additional \$60,000 in spending authority to support their ongoing field operations for FY2022.

These contracts provide Fulton County with maximum flexibility by having multiple sources for tree cutting services.

Historical Expenditures:

- FY2021: The County expenditure as of 8/30/2021, \$91,950
- FY2020: The County spent \$76,599.00
- FY2019: The County spent \$23,670.00
- FY2018: The County spent \$20,648.00
- FY2017: The County spent \$49,450.00

Project Implications: These contracts are utilized for storm related emergencies and/or diseased and dangerous tree removal on County-owned properties.

Community Issues/Concerns: None of which the Department is aware.

Department Issues/Concerns: If these renewal contracts are not approved, the Department does not have the required skills and equipment to perform on-site tree removal services under emergency/storms related situation.
