Summary & Background Renew existing contract to provide Septic Tank and Grease Trap Maintenance Services Countywide for FY2022.

Scope of Work: This contract furnishes all labor, materials, equipment, tools, equipment and appurtenances necessary to pump, transport and dispose of waste from septic tanks and grease traps on an "as needed" basis for Fulton County.

The Scope of Work consist of:

- Fully pump out the exterior grease trap and/or septic tank.
- Scrape all interior walls of the grease trap and remove the debris and residue, steam clean if applicable.
- In accordance with all applicable laws, regulations, and local ordinances, properly dispose of the grease trap and /or septic contents.
- Where an interior grease trap exists, perform the same maintenance, as mentioned in ITB, on the interior grease trap.
- Provide septic pumping every (six) months or weekly according to locate city ordinance
- All tanks must be thoroughly cleaned by using mechanical and as needed manual labor removing all sludge.
- All work must be performed in such a manner as not to inconvenience building occupants.
- Secure and pay for all permits, inspections and licenses necessary for the execution of their work

Community Impact: The overall impact on the community health would be unsanitary conditions throughout the county if waste is not properly disposed of in accordance to the laws, regulations, and local ordinances.

Department Recommendation: The Department of Real Estate and Asset Management recommends approval.

The requested spending authority in the amount of \$25,000 is sufficient to cover the cost for labor, materials, equipment and repairs for FY2022.

This service allows the County to be in compliance with the City of Atlanta Grease Management Ordinance 154-297. If this contract is not approved, the County would be in violation of a City of Atlanta ordinance that regulates this service and requires the pumping of grease traps on a weekly basis.

History Expenditures:

- FY2021: The County expenditures as of 9/8/2021, \$10,220.00
- FY2020: The County spent \$13,575.00
- FY2019: The County spent \$19,019.00
- FY2018: The County spent \$19,175.00

Project Implications: The Contractor secures and pays for all permits, inspections and licenses necessary for the execution of this work. The septic pumping is done according to the set city ordinance 154-297.

Community Issues/Concerns: None that the Department is aware of.

Department Issues/Concerns: If this renewal contract is not approved, the County would be in violation of a City of Atlanta ordinance that regulates this service and requires the pumping of grease traps on a weekly basis.
