### Is this a purchasing item?

Yes

**Summary & Background:** The Department of Public Works recommends approval to renew existing contract to provide water meter testing and repairs services.

**Scope of Work:** The contract with the vendor, Taylor Made Industries, Inc. dba Taylor Meter Technology provides for the testing of water meters and verifies accuracy of these meters used throughout the water supply system in North Fulton County. This service is required for water meters that have stopped or run slowly and includes performing the necessary repairs of the water meters as directed by Fulton County Public Works staff.

**Community Impact:** By providing independent meter testing, customer billing issues are resolved efficiently. Customer confidence is increased by providing meter testing and is billed correctly. The accuracy of meters directly affects revenue which can affect water rates.

**Department Recommendation:** The Department request approval to renew existing contract to Taylor Made Industries, Inc. dba Taylor Meter Technology.

**Project Implications:** Water meter testing and repairs of small and large meters provides for meter accuracy. The annual testing of meters increases revenue provides correct billing and decreases unaccounted water billed.

**Community Issues/Concerns:** None that have been presented to the Public Works Department by the community.

**Department Issues/Concerns:** The Department of Public Works has no issues or concerns with the award of the contract as presented.

**Contract Modification:**
