Summary & Background *(First sentence includes Agency recommendation. Provide an executive summary of the action)*

that gives an overview of the relevant details for the item.)

The Department of Community Development request approval to amend the contract for North Fulton Community Charities, approved by the BOC on October 21, 2021 (Agenda Item #21-0798). The contract amendments will provide additional funding for the agency to deliver homeless services through January 2023.

Scope of Work: The ESG Program is designed to increase the number and quality of emergency shelters for homeless individuals and families, to operate these facilities and provide essential services, and to help prevent homelessness.

Community Impact: The Emergency Solutions Grant (ESG) funding will help the County provide additional homeless and homeless prevention services for low and moderate-income citizens.

Department Recommendation: The Department recommends approval of the requested contract amendments.

Project Implications: Approval to allocate the additional funds and extend the contract term will allow the County to continue providing homeless and homeless prevention services to Fulton County citizens who reside outside of Atlanta, through our partner agency. The ESG grant ends on February 8, 2023.
