Summary & Background Approval to renew existing contracts for Standby Professional Services for Mechanical, Electrical, Plumbing and Fire Protection for Fulton County for FY2023.

Scope of Work: The intent of this contract is for one or more firms to provide the expertise, resources and personnel experienced in the various phases of Mechanical, Electrical, Plumbing and

Fire Protection (MEPFP) including the furnishing of all design, labor, materials, and equipment needed to perform the work. In addition, the County desires to obtain LEED Silver ratings for any new construction projects. If sufficient funding is not available to pursue LEED Silver ratings for individual projects, the County desires that site and building designs are developed to maximize energy efficiency and water conservation. Project designs shall minimize adverse environmental impact through energy efficiency, resource conservation, water conservation, site design, and excellent indoor air quality.

Community Impact: Currently, there is no identifiable impact on the community.

Department Recommendation: The Department of Real Estate and Asset Management recommends approval.

Because of the volume of work anticipated from the Urban Redevelopment Bond Program and other various Capital Projects, these professional firms will provide some, all, or any combination of the various and diverse technical expertise they possess to the capital improvement projects.

This is a Standby Contract that is dependent on the availability of resources provided as part of DREAM Pay as You Go capital program, FCURA bond, and end-user/departmental operating/capital funding as identified and adopted for FY2023.

Historical Expenditures:

FY2022: The County expenditure as of 7/13/2022, \$285,970.90

FY2021: The County spent \$136,717.00

FY2020: The County spent \$396,920.08

FY2019: The County spent \$394,792.91

FY2018: The County spent \$335,869.86

FY2017: The County spent \$594,646.06

Project Implications: The intent of this professional services is for one or more firms to provide some, all, or any combination of the various and diverse engineering studies; consultative, advisory, investigative and pre-design services; pre-design and pre -construction activities; partnering; project management services; detailed design services; contract administration and general review during construction; construction management services for the County on an as needed basis. Whenever services are requested by the County the Contractor will submit a written proposal for the specific project based on the scope of services requested by the County.

Community Issues/Concerns: None of which the Department is aware.

Department Issues/Concerns: If renewal of these contracts is not approved, the County does not have the capacity, or the expertise, to perform these professional services in-house for mechanical, electrical, plumbing, and fire protection services. Approval will enable us to have engineering consultancy services on-hand to review proposal specifications for proposed solicitations before being advertised to ensure that all aspects necessary for a successful procurement have been addressed.
