Summary & Background: Department of Public Works recommends approval to renew existing contract with R2T, Inc. to provide management, oversight, and administration services for the MS4 NPDES required stormwater management program within the unincorporated area of Fulton County.

Scope of Work: The contract provides for consulting services for Oversight, Management and Administration services for the National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer System (MS4) Permit program within the Fulton Industrial District area of

unincorporated Fulton County. The MS4 Permit requires the development of a Stormwater Management Program and numerous subprograms/program elements established to reduce and minimize pollutant discharges to surface water from stormwater sources.

The Best Management Practices for this program include:

- Inspection and Maintenance of Stormwater Control Structures
- Detection and Elimination of Illicit Discharges
- Industrial Facility Stormwater Discharge Control
- Construction Site Management
- Inspection and Enforcement of Highly Visible Pollutant Sources
- Public Education
- Public Involvement
- Regulation of Post Construction Stormwater Controls
- Promotion of Green Infrastructure / Low Impact Development

The consultant will assist Fulton County staff in performing and meeting these elements on a time and materials basis and preparing the annual report to EPD documenting our efforts. The consultant will monitor the timely accomplishment of the tasks performed by staff, as well as other consultants, and compile and submit the comprehensive Annual Report documenting compliance required by the Permit.

Community Impact: This contract ensures that all requirements of the NPDES MS4 Permit will be met, and the Stormwater Program within the Fulton Industrial District of unincorporated Fulton County will meet all necessary federal requirements.

Department Recommendation: The Department of Public Works does not have any concerns with the approval of this contract.

Project Implications: Contracting these services will allow the Department of Public Works to more effectively and efficiently achieve compliance with the requirements of the NPDES MS4 Permit requirements.

Community Issues/Concerns: There are no known community issues or concerns with the approval of this contract.

Department Issues/Concerns: The Department of Public Works does not have any concerns with the approval of this contract.
