Summary & Background

FCIT recommends the use of this contract for Telecommunication services.

Scope of Work: The use of this contract will provide telecommunication services including local telephone, long distance, conferencing, internet circuits, telecom systems maintenance, and other telecommunications services to the County at the best possible prices. Utilization of the GTA state pricing schedule will provide the County with the best savings for essential telecommunication services and maintenance.

Community Impact: Approval of this award will allow Fulton County to receive telecommunication

services, support, and equipment at the contract approved prices, providing savings to the County. Also, it will allow FCIT to continue to modernize the technologies in the outlying facilities so everyone in the County can use VoIP phones.

Department Recommendation: FCIT recommends approval of this award.

Project Implications: Approval of this award saves dollars for the County, while providing telecom circuits, switches, and services that are needed by the County.

Community Issues/Concerns: There are no community concerns with this project.

Department Issues/Concerns: There are no Department concerns with this project.
