Summary & Background: Approval to utilize Cooperative Purchasing - Department of Community Development, City of Santa Monica, CA, with Pathways MISI, to manage and provide assistance to the Fulton County GA 502 Continuum of Care (CoC) will help the CoC meet the statutory requirements of the HEARTH Act. The HEARTH Act requires all communities who have a CoC to use an HMIS and codified into law the data collection requirements. The use of HMIS is a statutory requirement for recipients and subrecipients of the CoC and Emergency Solutions Grant (ESG).

Pathways is the Fulton County CoC's lead and have worked with the CoC since May 2020.

Scope of Work: As the CoC Lead, Pathways works with DCA and the Fulton County Department of Community Development, Homeless Division ("Homeless Division") and prepares COC HUD reports, tracks data trends, and provides training and technical assistance to Fulton County agencies that receive funds to support homeless services from CoC, Community Services Program (CSP), and ESG.

Community Impact: Pathways MISI assists the Homeless Division meet the requirements of the HEARTH Act.

Department Recommendation: The Department of Community Development recommends approval.

Project Implications: The Homeless Division does not have adequate staffing to support the HMIS management requirement of the GA 502 Fulton County CoC.

Community Issues/Concerns: None

Department Issues/Concerns: The Homeless Division is proposing to continue the outsourcing of the management of the HMIS to Pathways MSA with an option of annual renewals.

Contract Modification: This is a new request.
