This annually certified agreement between the Federal Government and Fulton County sets forth requirements for participation in the federal equitable sharing program and the restrictions upon the use of federally forfeited cash, property, proceeds, which are shared with participating law enforcement agencies.

The Department of Justice funds the Equitable Sharing program by which local governments receive an allocation of seizures, confiscations and other law enforcement activities in which the Fulton County District Attorney's Office has had a cooperative or collaborative role. These funds can be utilized for training, communications, equipment, ammunition and

other allowable law enforcement activities. During 2022 reporting, the District Attorney's Office spent \$3465.00.
