Is this a purchasing item?

Yes

Summary & Background Department of Public Works recommends approval to award to Wade Coots Company, Inc.

Scope of Work: The work will consist of providing all labor, equipment, and materials necessary for the construction, removal and installation of sewer mains and other required improvements to the wastewater collection system, with all related accessories, as shown on the plans and called for in the Contract Documents and Technical Specifications. All work shall be in conformance with the

contract documents, drawings and Fulton County Standards and Specifications.

This project will extend the replacement of the main Deep Creek trunk line further downstream from Pine Valley Road where a major failure of the trunk line occurred in 2018. This is a preventative measure to make sure that the line does not fail in the future.

Community Impact: Repairing this line will prevent major spills that have occurred in the past due to pipe corrosion and deterioration.

Department Recommendation: The Department of Public Works recommends approval to award the contract.

Project Implications: Without the repair and replacement of the sewer lines, they may fail and cause major spills that will detrimentally impact the environment.

Community Issues/Concerns: No concerns have been raised to Public Works staff concerning these awards.

Department Issues/Concerns: Public Works does not have any concern or issues with awarding this contract. Wade Coots Company Inc. has satisfactorily provided wastewater construction services to Fulton County in the past.

Contract Modification: New Procurement
